

Arizona Public Schools Tax Credit
MOHAWK VALLEY ELEMENTARY SCHOOL

Support your local school!

Give our children the tax dollars that you would otherwise pay to the State of Arizona! Sponsor extracurricular activities or character education for Mohawk Valley children.

You could reduce your Arizona income tax liability up to the limits allowed by law for contributions to a public school for extracurricular activities or character education programs.

Arizona law permits taxpayers a credit for the amount of any fees or cash contributions made to a public school in support of extracurricular activities or character education programs. Taxpayers who file a tax return as single or head of household are eligible to receive a tax credit up to \$200, and married couples filing a joint tax return, up to \$400. If married taxpayers file separate returns, each spouse can claim one-half of the credit that would have been allowed on a joint return.

Mohawk Valley has extracurricular activities and character education programs, which benefit the school children. These are eligible programs for the tax credit donation and are in addition to the regular curriculum. Your tax credit donations support many competitive and enrichment activities. These activities enhance classroom learning and develop qualities such as leadership, team play, and cooperation.

Your donation makes a difference for our children!
